Webb, Kastner & Moberly are supplying Waco with the best beef she has ever had from their two stands, one on the square and the other near the old Bon Ton stand. They have fish and oysters fresh every day and fill orders with dispatch.

Mr. J. N. Browning's Dental. To the Waco Examiner.

My attention has just been called to the following article which appeared in the Vernon Guard of the 17th inst., and credited to your paper:

Temple Houston has been secured as attorney for the Atchison, Topeka and Santa Fe railroad.—Tyler Democrat and Reporter.

We are pleased to note the progress of Temple Houston. He is said to be rapidly acquiring real estate, too. As residents of Carson county, he and Legislator Browning have filed upon lands in that county. As they both reside in Mobeetie, Wheeler county, doubtless they took the oath required to get hold of this land in some modified form. The usual form would have required them to swear that they are residents of Carson county.—WA CO EXAMINER.

I desire to say that so much of the above article as refers to myself is untrue, except the statement that I reside in Mobeetie, in Wheeler county. I do not now own, nor have I ever owned, "filled up," or off rent to "fill up," or even in my manner interested in any purchase or proposed purchase of land of any sort in Carson county, and furthermore, I have never at any time in any county, "filled up," or offered to purchase land of any sort from the State of Texas, nor have I ever leased or been interested in the location of any certificate upon land in this state or out of it. Had the above article appeared in the Vernon Guard as original matter I should deem it unworthy of notice or denial, but when THE EXAMINER, or any other paper assuming responsibility, publishes such a falsehood on me I consider it my right and bounden duty to denounce it in unmistakable and appropriate terms. J. N. BROWNING.

#### Helping the Right Side.

To help the right side is not only commendable in a general point of view, but it is indications of a prudent when that helps enlisted between the right side of the body just over the heart, in the region of the liver. The most efficient help is afforded by Hosteller's Stomach Bitter, an anti-bilious medicine of unsurpassed efficacy. It acts like a liver balsam and does that of sickle-cell disease, curdled mucus, mucus, cosa, intestinal worms, etc., and by its yellowness of colour and smell of thyme, it is a favorite of those who are compelled to be in public places and not to withdraw from society. The liver dropsy, rheumatism, etc., due to a long continued course of water, the hardened heart, etc., is kept at bay by its astringent properties, which is especially important in cases of jaundice, etc.

#### Imported Sateens.

We opened this week two hundred new and exclusive patterns in French sateens, and a full line of all the new solid colors. These are all of our own importation, and ladies will pronounce them the choicest lot of sateens ever offered in Waco. We also show a large line of domestic sateens in solid and fancies at popular prices. We cater to all classes of trade, hence our lines of cheap, medium and fine grades of goods will all be found complete, and only the choice of each class is shown. Ladies desiring to make their spring purchases for the Easter holidays will please bear in mind that we shall not have any special spring opening, and in consequence no new goods and special novelties are reserved, and everything is placed on sales soon received. SANGER BROTHERS.

#### GEN. THEATRE.

This popular place of amusement opened this week with the largest programme and most brilliant list of attractions it has ever presented to the Waco public. It has engaged for the week Mr. Chas. Clark, the daring and agile trapeze performer, Mr. Lundy Zeigler who, although yet in mere youth, and almost a novice on the stage, has achieved the enviable reputation of the greatest contortionist on the stage, Shang Griffith, the great eccentric comedian, and Miss Kate Hastings, the popular vaudevilles, and the dexterous popular Williams sisters all go to make up a first-class programme and entertainment in which the audience never tire and delight to recall with rounds of applause. Admission twenty-five cents, gallery seats fifteen cents.

**Intelligence Finally Wins.**  
At last it is universally admitted that costly goods like pianos and organs should be purchased from reliable houses, and not from irresponsible agents whose main object is to make large commissions.

Thus Goggan & Bro. pay cash for all goods, and their twenty-two years experience is a guarantee for the quality of instruments they sell. Branch house in charge of G. D. Wakely, No. 169 South Fourth street, Waco.

Wheeler, Lyndham & Co. keep in their stall the beef of the Waco Dressed Beef company, which has been kept in refrigeration until all the animal heat has been extracted. If the citizens of Waco will only use it once they will use no other, as it is a well-known fact that the beef furnished in the large hotels of the east is superior simply because it has been kept in refrigeration. The trade supplied and orders solicited.
